

Mary Ella Carter, MD, FACS

Top Doctor 2024 | Plastic Surgery

PLASTIC AND RECONSTRUCTIVE SURGERY

Dr. Carter is a highly accomplished and experienced Board Certified Plastic and Reconstructive Surgeon and is an active member of the American Society of Plastic Surgeons. She is based at Johns Hopkins Sibley Memorial Hospital where she operates her women-led, high-volume private practice. In her office, Dr. Carter specializes in a range of cosmetic procedures including face/neck lifts, eyelid surgery, abdominoplasty, liposuction, body contouring, breast augmentation and reduction, and non-surgical botox and fillers as well as extensive skin cancer reconstructions. Known for her compassionate approach, Dr. Carter assures that each patient feels heard and supported, and she has an unwavering dedication to delivering exceptional results. Beyond her thriving practice, Dr. Carter is recognized for her philanthropic endeavors. She is involved with the Catholic Charities network in the DC area and frequently travels abroad to underserved communities in Dakar, Senegal, and most recently, Tanzania. Dr. Carter's staff consists of exemplary young women with a healthcare background who have been extensively trained under Dr. Carter's guidance to provide unmatched care to every patient. Each member of her invaluable team intends to further their professional career by attending nursing, physician assistant, or medical school.
